

## Conditions of Exhibition and Sponsorship

### **Sponsor This Prestigious Event!**

**Partner with 12CCC to position your brand at the forefront of innovation in Colloid Chemistry. As a sponsor, you will:**

- **Gain premium exposure to key scientific experts and industry leaders**
  - **Showcase your expertise in Colloid Chemistry solutions**
  - **Connect with top experts and operators in focused sessions**
  - **Strengthen your brand through high-visibility opportunities and recognition**
- Sponsorship packages include branding, exhibition, and advertisements.**

### **Sponsorship Opportunities**

The 12CCC Conference will bring together representatives of relevant Colloid Chemistry field operators from all over Europe, research institutes, universities, equipment and chemical suppliers, holders of licensed technologies, and leading global experts in CC to share their decades of experience in implementing enhanced recovery technologies across diverse fields. The conference will feature plenary talks and sessions, where participants can enjoy the opportunities for discussions. The goal of the conference is to facilitate collaborative discussion on theoretical and technological challenges and to develop effective solutions for problems.
